"A Mystery at Magic Academy SHINJUKU" is based on the puzzle hunt event "A Mystery at Magic Academy" held in San Francisco and specially arranged for Shinjuku. This English game event starts from TOKYO MYSTERY CIRCUS and while playing, participants will be walking around Shinjuku to solve the puzzles and mysteries of this game, so you will be able to enjoy both puzzle hunt and sightseeing of Shinjuku!

"MYSTERY MAIL BOX" is the game series you can enjoy in TOKYO MYSTERY CIRCUS. In "MYSTERY MAIL BOX", you will solve puzzles and mysteries which you receive from various characters and try to open the wall full of "MAILBOX"s to enjoy the full story. "MYSTERY MAIL BOX GLOBAL EDITION" is the new edition of this "MYSTERY MAIL BOX" series. This edition is playable in both English and Japanese and has no playing time limit, so you can easily participate. Please join us any time you are free!

We also are starting to sell original merchandise we offer in U.S.A. from 15th March, such as "Puzz Pack" and "Puzz Card", which contains lots of puzzles you can enjoy in English. These new merchandise, sold at TMC

Additional Information

About Real Escape Game in Japan

Real Escape Game is a dynamic participatory game which recreated the online escape game concept into real life. In 2007, they invented the world's first live-action Real Escape Game (REG). From then on, REG expanded from Japan to U.S., Europe, and other parts of Asia like Shanghai, Taiwan, and Singapore, holding their events at unique places like ruined hospitals, sports stadiums, churches, theme parks and more. Over 3.6 million people have played Real Escape Game since the first event in 2007.

SCRAP has created over 130 game titles and held over 250 immersive and adventurous puzzle events in Japan alone. As a registered trademark of SCRAP, TV shows and movies of REG were also released - attracting enthusiasm and support from fans.
