

"Fetish" or "Art"! ? Joint photo exhibition of pretty girls with fuzziness "Fuzzy ☆ Pretty Girls Exhibition" Held from April 29 to May 10 at Asakusabashi Chance to see all line-up from hot "Underwater Niso" to "Thighs" !

BACON, Co, Ltd. (べーこん) is holding 'Fuzzy ☆ Pretty Girl Exhibition' as the second series of free gallery events, that opens a gallery "TODAYS GALLERY STUDIO" (Asakusabashi) to artists from April 29 (Wed) to May 10 (Sun).

At this exhibition, there will be more than 150 arts and 5 artists (planned) are participating who are releasing works full of each fetishism, such as [underwater Niso], [front zipper racing swimsuit], [thigh], and [absolute area shiny skirt]. Each artist freely exhibits their works, so the exhibition is more worldview focused. It should be noted that we will present original post cards taken at Taito as a visitor benefit for first-come 2000 people.

■ Why "fuzzy" "pretty girls"!?

There are variety of fetishism in the world. And fetishism is something that some people feel anything about it but others don't. It is very fuzzy. For example, arts without faces, mystical body curves in water that cannot be seen usually and so on. These "fuzziness," which is left to the imagination of people who see it, can be said the ultimate art. At this exhibition, we focus on the possibility of the art by naming the title "Fuzzy." We are sure you will enjoy the beauty of the girls in arts regardless gender.

■ Participating Artists

Manabu Koga <http://peppergear.com>

Through a free paper editing issuer, he has engaged in designing of Takashi Murakami works and propaganda. In recent years, he produced "Underwater Niso" (2013) and "Underwater Niso Plus" (2014) which are photos of women taken in water. At this exhibition, in addition to "Underwater Niso" and "Underwater Niso Plus" at Manabu Koga 'Underwater Niso Exhibition' in Kyoto, he will exhibit unpublished works. You can also experience a video of "all celestial sphere underwater Niso" which recorded all angle of up, down, left and right.

Kiyoyuki Amano <http://www.kayac.com/team/amano-kiyoyuki>
